

CHATEAU LAGRANGE

GRAND CRU CLASSÉ EN 1855

SAINT-JULIEN

2019

TERROIR

Completely situated in the village of Saint-Julien, the vineyard of Chateau Lagrange represents 118 hectares in red vines, spread over two hills with the slopes directed towards the North and the South, in one block. The subsoil is of clay and limestone and the topsoil is of pebbles and gravel. The climate is temperate and oceanic.

THE VINTAGE

2019, just like 2018, will be remembered for its really contrasting weather. We had a cold, wet spring, and then a dry, hot summer with record-breaking sunshine ! This was the longest harvest we had ever seen. The berry weight was the lowest of the last 36 years at Lagrange. We took a gamble stopping for a while between the Merlot and the Cabernet, judging the latter's phenolic maturity not in adequacy with its technological maturity. It was important not to rush, tasting the grapes daily as the skins became gradually thinner and aromas were progressively revealed: we harvested the richest grapes in the domaine's modern history.

TASTING NOTE

The character of our unique *terroir* and our technical team's expertise have allowed this vintage to surpass itself. It boasts both phenolic richness and freshness in the fruit. This is a powerful, creamy, smooth wine. With a record 80% Cabernet Sauvignon, the Lagrange 2019 blend will go down in history. The expressive, aromatic nose opens with black cherry, blackcurrant and liquorice. In the palate, the entry is silky and plump with powerful, velvety tannins. This distinguished and elegant 2019 will take its place among our iconic vintages. The ageing potential is simply remarkable!
